"Recruitment Firm Michael Page UK, says that Accountants are among the top ten most in demand professionals in the world."

[www.michaelpage.co.uk/minisit/most-in-demand-professions](http://www.michaelpage.co.uk/minisit/most-in-demand-professions)

### Course Rationale

The Bachelor of Accounting is a comprehensive, contemporary course that provides graduates with a broad understanding of practical, technical, and theoretical accounting, financial and general business skills and knowledge. Graduates of the course are well grounded in all facets of accounting practice inclusive of business finance, corporate and company law, taxation law, management and financial accounting, accounting theory and processes, and audit and assurance functions. Graduates possess skills and knowledge in corporate governance, business ethics and professionalism.

### Career outcome

#### Career opportunities exist in

- Business analysis
- Business risk & governance
- Financial accounting
- Management accounting
- Auditing
- Taxation
- Management consultancy

## Admission Requirements

### Domestic students

Admission to undergraduate courses is based on successful completion of one of the following:

- The Queensland Higher School Certificate or an interstate equivalent Higher School Certificate OP 17 / ATAR 60.
- Completion of an International Baccalaureate Diploma.
- Completion of an approved course at the level of Diploma or Advanced Diploma at a TAFE or Registered Training Organisation (RTO).
- Possession of qualifications deemed equivalent to any of the above qualifications.

### International students

International students who have not completed an Australian qualification must have appropriate educational qualifications, deemed equivalent to the Australian Higher School Certificate under the NOOSR guidelines.

International candidates may also be considered for admission by:

Satisfactorily completing vocational and or tertiary studies in Australia or overseas, accredited under the Australian Qualifications Framework (AQF), or satisfactorily completing equivalent overseas studies.

**Note:** International students must hold a valid Student Visa. There are numerous conditions that apply to a Student Visa. In particular, a holder of a Student Visa may not work, paid or unpaid, for more than 40 hours in any fortnight during trimester time. Where Work Integrated Learning is integrated into a course, it does not count towards the 40 hours. Current information on Student Visa conditions may be found at <https://www.homeaffairs.gov.au/Trav/Stud/More/Visa-conditions/visa-conditions-students>.

## Credit and Recognition of Prior Learning

Credit for previous learning may be obtained through the processes of articulation, credit transfer and recognition of prior learning (RPL) or a combination of these processes. Application for credit transfer or RPL must be supported by appropriate documentation.
