CRICOS Course Code : 099085E | Course ID : CRS1400577

Deloitte identifies agribusiness as one of the "fantastic five" sectors tipped to take over from mining as the key drivers of growth within the Australian economy.

Agribusiness Bulletin, Deloitte.com, 2018

Course Rationale

Australia is a world leader in sustainable agriculture and food production. Globally, there is a severe shortage of agribusiness professionals. Leaders Institute's Bachelor of Agribusiness is ideally placed to prepare graduates for this ready market nationally and internationally. Graduates will be equipped with the knowledge, understanding and skills, that will make them market- and-business ready to work in small to large businesses in the areas of production, management and agribusiness finance. Graduates will also be equipped to be self-employed and establish their own businesses and employ others. The course encourages all graduates to be advocates of lifelong learning and ethical practice through membership of professional associations and industry peak bodies. Work Integrated Learning provides opportunities to integrate theory with practice in an authentic setting. It also provides opportunities to develop networks for future career development.

Admission Requirements

Domestic Students

Admission to undergraduate courses is based on successful completion of one of the following:

The Queensland Higher School Certificate or an interstate equivalent Higher School Certificate ATAR 60.

Completion of an International Baccalaureate Diploma.

Completion of an approved course at the level of Diploma or Advanced Diploma at a TAFE or Registered Training Organisation (RTO).

Possession of qualifications deemed equivalent to any of the above qualifications.

International Students

International students who have not completed an Australian qualification must have appropriate educational qualifications, deemed equivalent to the Australian Higher School Certificate under the NOOSR guidelines.

International candidates may also be considered for admission by:

Satisfactorily completing vocational and or tertiary studies in Australia or overseas, accredited under the Australian Qualifications Framework (AQF), or satisfactorily completing equivalent overseas studies.

Note: International students must hold a valid Student Visa. There are numerous conditions that apply to a Student Visa. In particular, a holder of a Student Visa may not work, paid or unpaid, for more than 48 hours in any fortnight during semester time. Where Work Integrated Learning is integrated into a course, it does not count towards the 48 hours. Current information on Student Visa conditions may be found at <https://www.homeaffairs.gov.au/rav/Stud/More/Visa-conditions/visa-conditions-students>.

Credit and Recognition of Prior Learning

Credit for previous learning may be obtained through the processes of articulation, credit transfer and recognition of prior learning (RPL) or a combination of these processes. Application for credit transfer or RPL must be supported by appropriate documentation.
