# Graduate Certificate in Research

CRICOS Course Code: 120198E | Course ID : CRS1401849

## Introduction

The Graduate Certificate in Research is an exit only course designed equip students with specialised knowledge and skills in research methods. The structure is based on the first semester of Leaders Institute's Doctor of Business Administration. This enables students to exit the higher-level course, due to unforeseen personal or professional reasons, after two years with a fully accredited qualification.

Graduates will be able to demonstrate the judgement, adaptability, and responsibility required to pursue professional practice in business fields requiring skills in research and critical thinking. Graduates may find employment in management roles in a relevant occupational field, such as business and professional organisations, entrepreneurial start-ups, not-for-profit companies, and public services.

## Course Structure

| Core Course | Work Units                         |
|-------------|------------------------------------|
| RS701       | Business Research Fundamentals     |
| RS702       | Literature Review for Publication  |
| RS703       | Advanced Business Research Methods |
| RS704       | Research Proposal and Seminar      |

The course structure is based on one semester (each semester is 12 teaching weeks, plus one review week and one study week).

✓ 4 x core research units (40 credit points)

To qualify for the award of Graduate Certificate in Research a candidate shall accrue an aggregate of at least 40 credit points, including satisfactory completion of the core units.+
