

Diploma of Business

CRICOS Course Code : 0100516 | Course ID : CRS1400636

Course Rationale

The Diploma of Business at Leaders Institute equips graduates with knowledge and skills necessary to not just work in, but also to thrive and prosper in, today's competitive business and industry environments. The curriculum provides a foundation in business with a focus on agribusiness by combining management, accounting, marketing with agricultural economics, agribusiness production and management. The focus is on sustainability to meet the rising global demand for food and fibre. competitive business and industry environments.

In keeping with the institute's ethos, the Diploma of Business also develops so-called 'soft skills' and leadership skills that are increasingly required in business environments. Graduates will be market-and-business-ready to work in small and large businesses, finance and accounts, marketing, or business development. Graduates will also be equipped to run their own businesses. Upon completing this course, students will be eligible to articulate into the second year of the Bachelor of Agribusiness.
